SUBJECT: EMBASSY BERLIN'S EFFORTS ON ROBUST IMPLEMENTATION
OF UNSC-IMPOSED SANCTIONS ON IRAN

REF: SECSTATE 101574

Classified By: A/DCM John Bauman for reasons 1.4(b) and (d)

¶1. (S) Post leadership continues to raise our concerns to the Government of Germany about Iran's failure to comply with its international nuclear nonproliferation and UNSCR-mandated obligations regularly. The Ambassador has discussed issues noted in reftel with the highest levels of German government, and recently accompanied Treasury U/S Stuart Levey during his Iran-related meetings with senior German officials. In addition to continuing its role in the P5 1 framework, Germany has also provided implementation reports on both UNSCRs 1737 and 1747 to the UNSC Iran Sanctions committee, as noted in reftel.

¶2. (C) Post will continue to raise our concerns about Iran's failure to comply with its international obligations with the German government and will report on any new developments.
